Easy ways to be **ECO-RESPONSIBLE** at the MOULIN DE SURIER

Let's contribute to making the world a better place and change our habits at work and at home to reduce our carbon emissions.

01 To recycle is to properly sort your waste. If everybody does it, the better !

02 Let's be responsible in our usage of WATER ! Do not let the faucet on for no reason, every drop counts !

03 Let's save energy ! Turn off your lights when they are not needed.

04 Saving energy is also setting your fridge to '4' or medium, it's more than enough !

05 Before turning the heat on, try putting on warmer clothes !

Please sort your waste ! Containers and compost bins are at your disposal on the parking lot. A 10euros deposit will be asked at your arrival for the different bins in your rental. If you have any doubts or question about how to sort your waste, the staff is here to help !
